2023 Enduro Race Rules:

1. Car must be completely stock. (no glass, no headlights, no taillights, can remove jack, spare tire) car interior must be removed, including door guts.
    1a. dash gauges if used, must be stock, no aftermarket parts
2. Cars must have stock fuel tank, no fuel cells. CARS ONLY
3. Mufflers are required. No exceptions. Extra straps encouraged.
4. Roll bar with 1.5”O.d. tubing required, full cage permitted.
5. 3 bars with windshield screen to protect driver required.
6. Seat belts or harness must be in working condition (Racing Belts recommended)
7. Re-fueling of cars will be done in a track designated area, driver must exit vehicle for re-fuel, and drivers are required to swap (24hr) at each re-fuel interval. Crew member must have fire extinguisher present during re-fuel.
8. Helmets are required for all competitors. Racing jacket minimum, fire resistant/proof pant required, racing suit recommended.
9. Flat tires, a car will be waved to the work area to change a flat tire, once the flagman has waved you in (2) twice, you are subject to penalty or disqualification.
10. No passengers are permitted of any kind in any vehicles during competition.
11. When a car is in the work area, jack stands are required before a crew member can be under a vehicle. No exceptions. A “floor jack” alone is not sufficient.
12. Each car required to have a fire extinguisher on board at all times. All teams must have a fire extinguisher in their pit area at all times!
13. Rough or aggressive driving is strictly prohibited, and is grounds for immediate disqualification without pay.
14. 24hr Event: Each car is required to have 3 “different” drivers compete, drivers are required to swap at each re-fuel/driver swap interval. Any event with 4 or less segments Atomic recommends at least 2 Drivers.
15. Every 3 hours we will have a mandatory red flag for (15 minutes) to re-fuel cars and complete driver swap.
16. Racing seats are allowed/recommended, but must be mounted properly or subject to disqualification.
17. RaceCeiver or Comparable must be worn any time on race surface or entering race surface, which includes chute to track. Racers will not be permitted on racing surface without confirmation of communication and continued communication throughout the event. Racers may be requested to comply during event to verify communication. Failure to comply will result in a black flag to regain communication for that Driver. If the Driver or Team has multiple instances, in the event of the same vehicle/team being black flagged for a 3rd time, that team will be disqualified.
